- Appointment Cancellation / Rebooking** –if Kindersley Transport is notified prior to attempting a delivery that the appointment has been changed, a reduced charge will apply to cover the administration, handling and rework fees, rather than the Original Appointment fee (or Redelivery Fee, if applicable). A Redelivery Fee (see #3) will be applied once the shipment is accepted/delivered by Loblaws/SCM (and on any appointments where prior notification of cancelation/change does not occur)
- Redelivery** – will be billed for each additional attempt/appointment made should the initial (original) appointment be rejected/refused by Loblaws/SCM

# WAREHOUSE DELIVERY CHARGES

\*THIS PROPOSAL WILL EXPIRE IN 120 DAYS FROM DATE OF ISSUE.

- 5. Wait Time** – If the combined shipments set out for delivery weigh under 10,000 lbs, 30 minutes are free. If the combined shipments are over 10,001 lbs, there will be one hour free time. Once the free time has passed, all shipments will be subject to wait time of \$35/half hour (30 minutes) based on a per piece time measurement (please note that the Loblaws fee covers the initial one (1) hour that we are required to be there prior to the appointment time).

Example: if you have a 730 piece shipment (3000 lbs) that is scheduled for a 1900 appointment time, Kindersley Transport will arrive at 1800. The shipment is co-loaded with other appointment freight, which has a total of 3500 pieces. If the delivery is not completed until 0300, you will be billed based on the following:

Total Time: 1900 hours – 0300 hours = 8 hours

8 hours – 30 min free = 7.5 hours

Total Cost: 7.5 hours x \$35/half hour = \$525

Total Pieces: 3500 pieces

Total Cost/Piece: \$525/3500 piece = \$0.15/piece

Your Wait Time Cost = \$0.15 x 730 pieces = \$109.50
